## TURNING AMBITION INTO ACHIEVEMENT

**The Hinckley School is a place where ambition is encouraged and dreams become a reality.**

We inspire our young people to aim high and take the time to truly understand their hopes and aspirations. This allows us to provide personalised guidance and meaningful opportunities to help them achieve at the highest levels.

Our alumni network is a powerful testament to what's possible. Former students of The Hinckley School and Sixth Form are now making their mark across the globe — earning degrees from Oxford and Cambridge University, studying on scholarships in the USA, representing their country in sport and excelling in degree apprenticeships with world-class organisations like Aston Martin and PricewaterhouseCoopers. We are proud to be the foundation from which their journey to success begins.
