Building Brighter Futures

#169

#### THURSDAY 30TH JANUARY 2025

D I I all ex

Dear Parent(s) and Carer(s),

I would like to thank students, parents and carers for their response to our new attendance initiatives, we have already seen an incredible impact and have visited all year groups to award treats to students who have set an exceptional example by maintaining 100% attendance. We know that there are some occasions where absence is unavoidable and that is why rewarding improved attendance is also a key focus moving forward. It has been wonderful to see the difference increased attendance has already had on the learning outcomes for students this week

I would like to wish our Rugby Teams the very best of luck for their two fixtures this weekend, as our U12 team face Lutterworth High School and our U13/14 and U15/16 play Warwick. It is wonderful to now have a calendar full of rugby fixtures and to see our teams going from strength to strength.

Next week, we look forward to welcoming our external applicants to our first Sixth Form Interview Evening for 2025. This evening will see our team interview Year 11 applicants from our feeder secondaries and I look forward to meeting our future Year 12 cohort in person on the 5th. Our own Year 11 students are still able to apply to join our vibrant Sixth Form community and I encourage them to speak to their subject specialists and sixth form leaders to find out more about the exceptional Level 3 opportunities we offer, so that we can continue to support them through their seven year journey.

Well done to Year 13 for completing their Mock Exams this week, and good luck to Year 11 next week!

Mrs Rooke — Headteacher

#### Electronics Club Build Robot Buggies

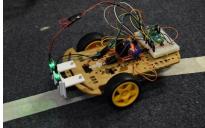

Our KS3 Electronics Club have been putting their new robot buggies to the test this week during their Wednesday after school enrichment session.

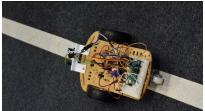

Oakleigh in Year 7 explained their work so far, "We started by building robots which were programmed to move in a square, then we added a one direction sensor, then a turning sensor and now we have added a light sensor which means the robot can follow a circuit." He added, "This club is really fun, you get a deeper understanding of robotics and it has made me consider a career in robotics in the future."

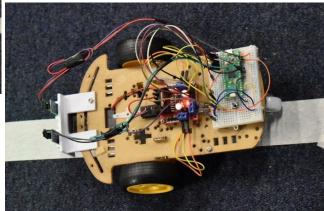

Club Leader, Mr Harrison shared, "The students have been building simple circuits to learn about sensors that can measure distance and detect light. These were connected to microcontrollers and students wrote some simple code to measure the distance and light levels from the sensors. This was then further developed to build robot buggies that can drive around by themselves, avoiding

collisions, and finally following a white line on a circuit around the floor. The project will conclude with a time trial to see which robot can complete the circuit the quickest!"

#### JUDO DUO WIN GOLD

We are delighted to share that Katrina, our resident Judo superstar in Year 9, is now competing internationally alongside her sister and Year 7 student, Kayleigh.

Over the weekend, Kayleigh participated in the British Schools Championships, securing a silver medal for the school, and also claimed gold in the Midlands area.

Katrina, who competes at a national level, was ineligible for the schools event, but competed in the Midlands area, where she also won gold.

Both athletes are achieving remarkable success in their Judo path and we can't wait to continue to celebrate and share their amazing achievements!

**Congratulations Kayleigh and Katrina!** 

#### YEAR 9 OPTIONS EVENING

#### SAVE THE DATE

#### **TUESDAY 11TH FEBRUARY 2025**

This week, all parents and carers of Year 9 students received an email inviting them to attend our upcoming KS4 Options Evening on Tuesday 11th February 2025.

To read and download this letter, please click here.

#### SPRING/SUMMER TERM DATES

Spring Term 2025

SCHOOL OPENS: Monday 6th January 2025 – all year groups

> SCHOOL CLOSES: Friday 11th April 2025

Half Term Break:

Monday 17th -Friday 21st February 2025

Summer Term 2025

SCHOOL OPENS: Monday 28th April 2025 – all year groups

> SCHOOL CLOSES: Friday 11th July 2025

May Day Bank Holiday:

Monday 5th May 2025

Half Term Break:

Monday 26th May - Friday 30th May 2025

(1 disaggregated TTD

June INSET day to be confirmed)

We will be looking to announce our next set of term dates online shortly. In the meantime, we would like to remind parents, carers and students that the last day of the summer term is Friday 11th July 2025.

Our full spring/ summer term dates, also available to via on our website, are shown on the table to the left.

#### Learning about E-Safety in The Bridge

This week, our tutor groups in The Bridge have been learning about E-Safety. With technology continually evolving and with young peoples levels of engagement with online platforms higher than ever before, it is important that we support our students and their families to understand how to keep safe online.

Tutor groups worked through a presentation created by The Bridge Team which built on the aspects of E-Safety students covered during their first few weeks in Year 7, as part of the computing fundamentals topic. Students engaged with the information with maturity and inquisitive questioning, which prompted fantastic group discussions, we would like to thank them all for their participation.

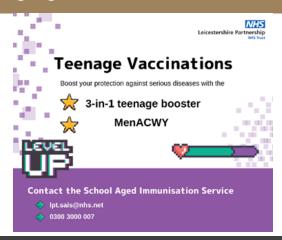

Ms Stone, Head of Computer Science and The Bridge Team will shortly be sharing helpful information sheets with parents/carers to support conversations around online safety to continue at home.

#### TEENAGE VACCINATIONS

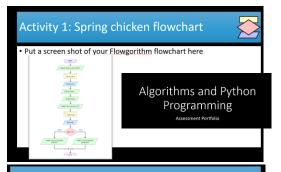

The School Immunisation Service is coming to school to offer young people in **Year 9** the free, safe and effective teenage booster and MenACWY vaccines on **28th February 2025.** The teenage booster protects against tetanus, diphtheria and polio. MenACWY protects against meningitis and meningococcal septicaemia. Both are given as a quick injection into the upper arm.

**Parents and carers:** please register your consent decision online: www.leicsandrutlandimms.co.uk - our school code is **LE141682** 

or call the service on: 0300 3000 007.

#### Impressive Python Programming

Declan in 90DY has produced some brilliant work in Computer Science recently, with Ms Stone praising his hard work, "Declan worked through all the activities to learn how to do Python programming and created flowcharts using a piece of software called Flowgorithm. Declan has been able to solve some of the more complicated problems and has been able to annotate and explain what is happening in his code to show a really deep understanding. At the end of the project he has taken all the elements he has learnt and created his own program. Declan was keen to get all the tasks completed and I arranged to have Python installed in the library so he could do extra work in there."

Well done Declan, you showed fantastic dedication and it is great to hear how much students are enjoying learning new programming skills!

#### SPANISH SPEAKING PRACTICE

"Our Year 11 Spanish students have been working extremely hard on their Speaking Practice. Every student has created a bank of flash cards with Spanish questions and their own answers on the back, and they are memorising these with the help of their families every day. They will be interviewed in their Speaking Exam without any support, which can be quite daunting, but they are absolute superstars!"

- Ms Garcia, Head of Modern Foreign Languages

#### Lunar New Year

We have been marking the Lunar New Year with a themed canteen menu this week. Our kitchen team have even decorated the Main Hall serving area with red decorations and lanterns. We hope students have enjoyed sampling new dishes to welcome the Year of the Snake.

#### There is still time to apply to join The Hinckley Sixth Form in 2025!

Visit our sixth form website to explore our wide range of courses (which now includes French!), watch videos of alumni and get a taste of our exceptional student experience.

Click here to find out more.

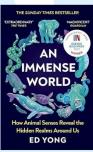

Click here to apply.

# All things science JANUARY AND FEBRUARY BOOK CHALLENGE

READ ONE OF THESE BOOKS DURING JANUARY AND FEBRUARY, THEN WRITE A REVIEW ON THE SCHOOL LIBRARY PAGE FOR 50 PRIDE POINTS!

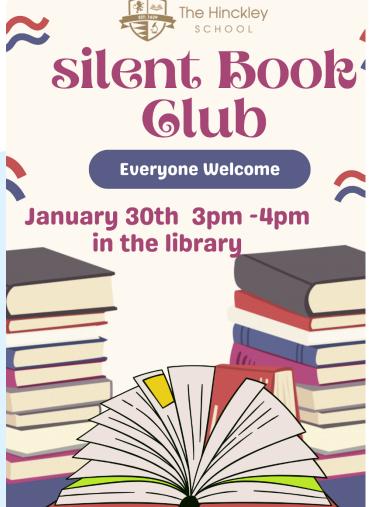

**Drinks and biscuits provided** 

## \*NEW\* Enrichment After School \*NEW\*

## Spring Term 2025

7									
	Monday
