YOUR SCHOOL EMAIL ADDRESS

You will need to know your school email to sign into many of our services.

Your email address is your usual school username followed by @thehinckleyschool.co.uk

For example if your school username is **24emerrick**, then your email will be:

24emerrick@thehinckleyschool.co.uk

The email address is not case-sensitive and may be entered in either upper or lower-case

Your password is your usual school computer password.

If you don't know your school computer password

You'll need to visit the IT Services Office at school to reset your password

ACCESS YOUR SCHOOL EMAIL

To sign into your school email, use the Web Outlook here: <https://outlook.office.com>

On a smartphone, you might need to download the Microsoft Outlook app

Sign in using your school email address and password

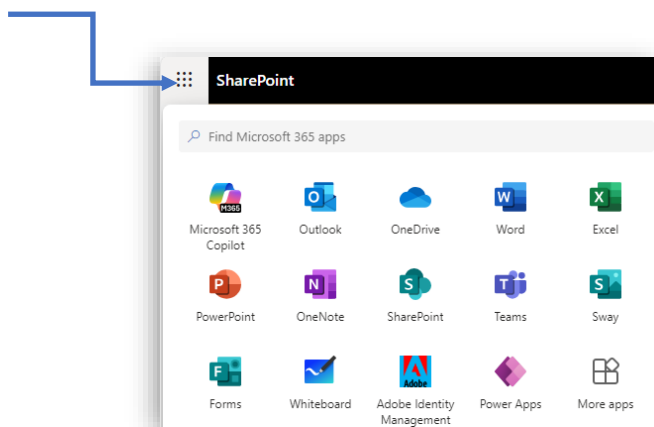

SHAREPOINT, TEAMS and ONEDRIVE

These may all be accessed through the web at this address:

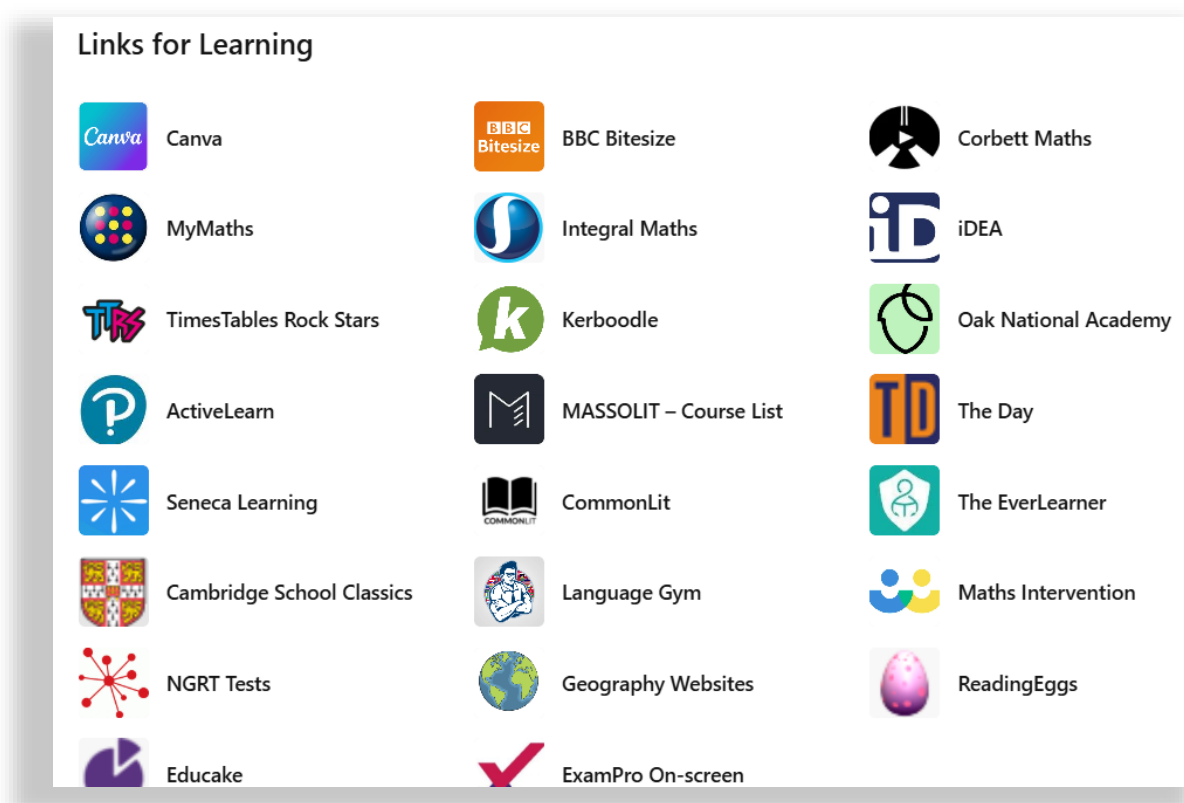

<https://thefuturetrust.sharepoint.com/sites/thh-home>

Sign in using your school email address and password

You can access Teams, OneDrive, Forms and other Microsoft 365 apps from the waffle menu in the top left-hand corner:

On Sharepoint, you can also find most of the other programs you will need. Scroll down until you reach **Links for Learning**

If you don't know your school password

You'll need to visit the IT Services Office at school to reset your password

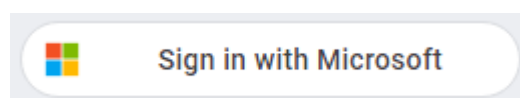

KERBOODLE

Please visit: www.kerboodle.com

Enter the Institution Code: QGM4

Click Sign in with Microsoft

At home, you will need to sign in with your school email address and usual school computer password

At school, this will happen automatically

If you don't know your school password

You'll need to visit the IT Services Office at school to reset your password

ACTIVELEARN

The logo for ActiveLearn, featuring the word "ActiveLearn" in a green, sans-serif font on a dark grey rectangular background.

Please visit: www.pearsonactivelearn.com

Username is your school email address

Password is your ActiveLearn password which you should have been given by your teacher

If you don't know your password

Click **Forgot your username or password**

Then type in your school email address and it will send you a link to reset your password. You will need to check your school email to find this.

MYMATHS

The logo for MyMaths, featuring a blue circle with a grid of white dots to the left of the word "MyMaths" in a blue, sans-serif font.

Please visit: www.mymaths.co.uk

School username: cleveland

School password: prime2357hs

If you don't know your password

Your Portal Username and Password were emailed to you at the beginning of the autumn term (September). Please sign into your school email and find the email about MyMaths. If you can't find it, you'll need to speak to your maths teachers to get your login details.

TIMESTABLES ROCKSTARS

Please visit: <https://play.ttrockstars.com/auth/school>

Select Student

Type in School Name The Hinckley School

Type in your RockStars Username and then click Password

Enter your RockStars password

If you don't know your school password

Your username and password were emailed to you at the beginning of the autumn term (September). Please sign into your school email and find the email about Timetable Rockstars. If you can't find it, you'll need to speak to your maths teachers to get your login details.

SKETCHUP

Access Sketchup at: <https://edu.sketchup.com/app>

Click sign in with Microsoft

Sign in with your school email address and your usual computer password

If you don't know your school password

You'll need to visit the IT Services Office at school to reset your password

CLASSCHARTS

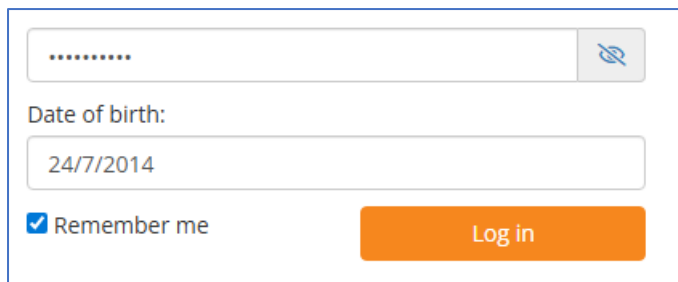

For Students

Please visit: <https://www.classcharts.com/student/login>

You will need the Pupil Code that was emailed to you in September. Please check your school email and look for an email about ClassCharts Login Details.

When you sign in using the link above, you will need to enter your Pupil Code and your date of birth

For example if your date of birth is 24th July 2014, you would enter it like this:

A login form with a text input field for a Pupil Code (masked with dots), a date input field for 'Date of birth:' containing '24/7/2014', a checked checkbox for 'Remember me', and an orange 'Log in' button.

Then Click Log in

For Parents

You should have received an Access Code from the school.

To sign up, please use this link: <https://www.classcharts.com/parent/login>

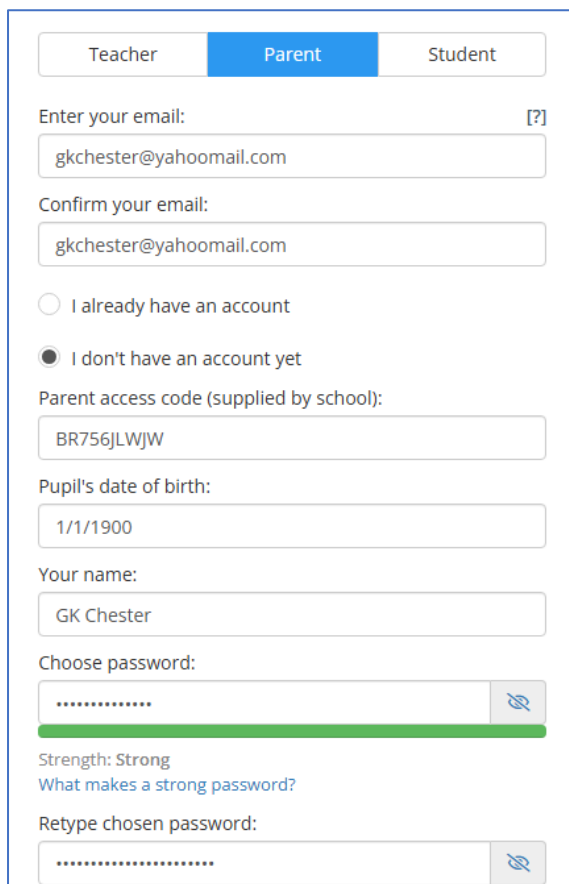

Choose **I don't have an account yet**

Enter the access code for your child

And your child's date of birth

Choose a password (which must be 12 characters or more)

It should look similar to this:

A registration form for parents. It has tabs for 'Teacher', 'Parent' (selected), and 'Student'. Fields include: 'Enter your email:' (gkchester@yahoo.com), 'Confirm your email:' (gkchester@yahoo.com), radio buttons for 'I already have an account' and 'I don't have an account yet' (selected), 'Parent access code (supplied by school):' (BR756JLWJW), 'Pupil's date of birth:' (1/1/1900), 'Your name:' (GK Chester), 'Choose password:' (masked with dots, with a green strength bar below it), 'Strength: Strong' and a link 'What makes a strong password?', and 'Retype chosen password:' (masked with dots).

Finally click **Log in**

If you don't have your Access Code, please contact your child's year team who will be able to help.

itservices@thehinckleyschool.co.uk

If you have already signed up but don't have your password, please look for the **Forgot Password?** Option and it will email you a link to change your password

If you need to add another child to your account, please sign in and look for the **Add Child** button on the website, or the **Pupil** icon within the app. You will then be able to enter your access code.

ClassCharts App

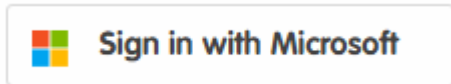

You can install the ClassCharts App from your App Store. Please note there are different apps for students and parents. Please search **Classcharts Parents** or **Classcharts Students**

EDUCAKE

Visit <https://my.educake.co.uk/student-login>

Select Sign in with Microsoft

Sign in with your school email address and your usual school computer password

If you don't know your school password

You'll need to visit the IT Services Office at school to reset your password

SENECA LEARNING

To Sign In

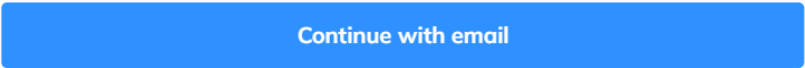

There's several different ways to sign into Seneca Learning. We recommend this method for the easiest. You will only need your school email address and your usual school computer password.

If you don't know your school password

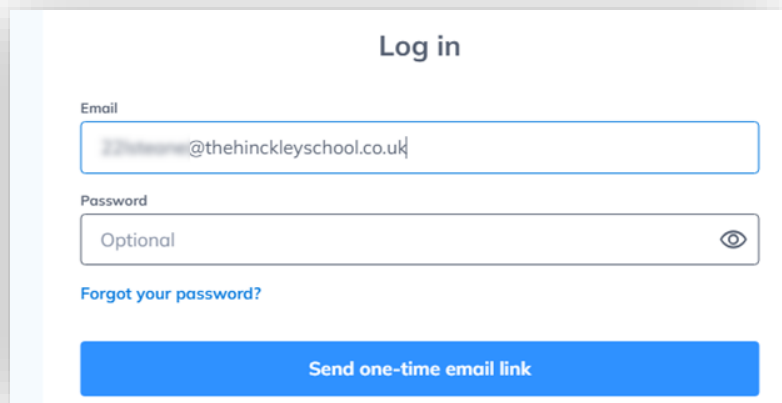

You'll need to visit the IT Services Office at school to reset your password

Please visit: [Seneca - Learn 2x Faster \(senecalearning.com\)](https://senecalearning.com)

Select Continue with Email:

Type in your school email address and then click **Send one-time email link**. Don't type a password in here.

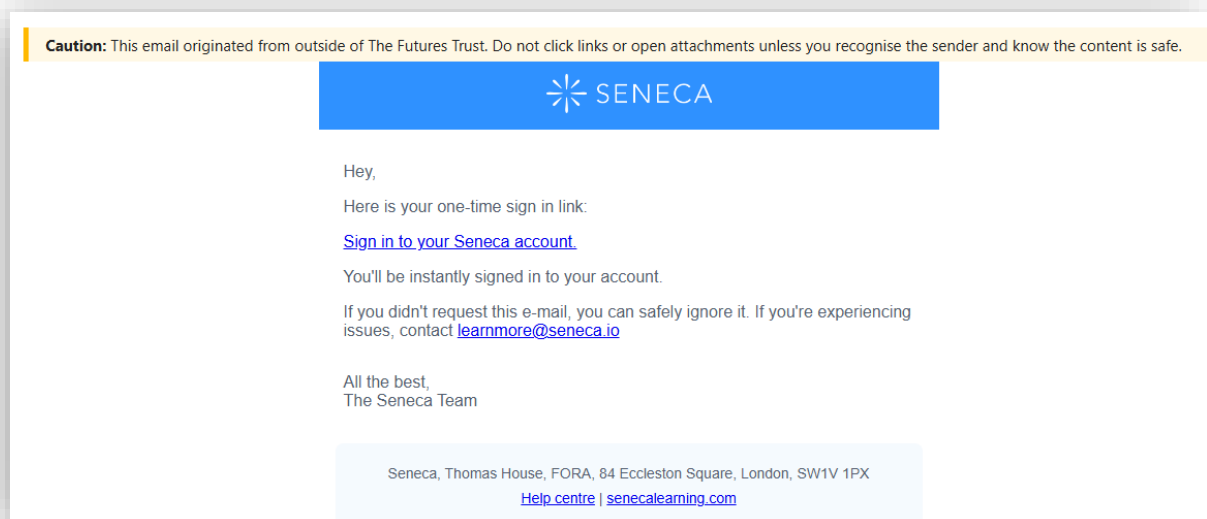

The screenshot shows a 'Log in' form with two input fields: 'Email' and 'Password'. The email field contains the text '22000000@thehinckleyschool.co.uk'. The password field contains the text 'Optional' and has an eye icon to its right. Below the password field is a link that says 'Forgot your password?'. At the bottom of the form is a blue button labeled 'Send one-time email link'.

Next, sign into your school email by visiting: <https://outlook.office.com>

Sign in with your school email address and your usual school computer password.

Look for the email from Seneca Learning. It should be at the top of your inbox.

Click the link to sign into your Seneca account

You will need to follow this process each time you sign into Seneca Learning
