RE: Yr11 Parents Evening – Tuesday 16th November 2021

Dear Parent(s)/Carer(s)

In light of the increasing number of COVID cases in the local area, we have taken the decision to switch our Year 11 Parents Evening to an online event, rather than hosting face-to-face appointments. It is with regret that we have had to take this decision but feel that it is in the best interests of parent(s)/carer(s), students and teaching staff involved.

The appointment length will remain at 5-minutes and at the original time that you booked. All of the details for how to access the appointment are contained on the school website (<https://www.hinckleyacademy.co.uk/parents-evenings>). If you haven't yet booked an appointment, you can still do so by following the booking link (<https://hajc.schoolcloud.co.uk>). Please note that when inputting your email address during the signing-in process, it must be the email address which you have provided us with previously.

As with any parents evening appointment, a follow up meeting or phone call can be arranged if all points raised cannot be addressed within the 5-minute appointment slot.

The Career's Fayre that was planned to be held on the same evening has also been postponed and more details will follow about how we will provide the careers guidance that would have been available to students.

Thank you for your understanding and continued support.

Year 11 Team
