21<sup>st</sup> November 2023

Dear Parents & Carers,

As part of Careers Week, we will be offering all our Bridge students the opportunity to visit Harry Potter World. The trip will run for half of the year group on the 5<sup>th</sup> of March 2024 and the other half of the Year group on the 7<sup>th</sup> March 2024. During the trip students will have a guided tour of Harry Potter World, where the career opportunities involved in the production of the films will be explored. Students will also take part in a STEM lesson where they will either delve into the mathematical skills including scale factor, percentages and fractions to discover how the half-giant Hagrid was brought to life on screen. Or they will take part in a lesson focusing on the Art of Foley, where students will discover the importance of sound in film and experience one of the most intriguing jobs in film, the Foley artist.

The total cost of the trip including entrance to the venue, a specialised STEM lesson and heavily subsidised coach travel will be £31 per student. Students will be expected to wear their full school uniform for this trip, and naturally we expect all our students to show PRIDE in the way they represent The Hinckley School during the day. Your child will need to bring food and a drink for the day, packed lunches will be provided for our students who receive free school meals. We expect the behaviour of all students up to the date of the trip to continue to meet our expectations, if however, this is not the case, students will not be permitted to attend the trip.

On the day itself students will leave the school site at 11 am and will depart Harry Potter World at 6.45 pm with an estimated return time of 9 pm. Further details will follow closer to the time.

If you would like your child to attend, please complete the consent form below and arrange payment on Parent Pay by Thursday 14<sup>th</sup> December 2023. All consent forms should be handed to your child's form tutor or year team.

Kind regards,

Mrs James

Director of the Bridge
